Subject: National Negotiations Update

Sisters and Brothers,

This is to update you on the situation with our Railroad National Negotiations. Unfortunately at this time we don't have much to report, however we just wanted to keep you apprised of the situation.

Our coalition had our second meeting with railroads this Wednesday. We reviewed proposed money-saving *enhancements* to our Health and Welfare plan that were investigated by a joint subcommittee of management and labor negotiating team members. After lengthy discussion on those proposals, the meeting adjourned. It was agreed that we would meet again in late July to discuss financial issues such as wages and Health and Welfare costs. I will again update you following those meetings.

If you have any questions pertaining to the foregoing, please don't hesitate to contact me. Enjoy your weekends.

Fraternally,

Bill Bohne, Jr.
Director - IBEW Railroad Department
